

Castleton Summer 2020 Drop/Adjustment Policy:

Students dropping a Castleton course prior to the 13.33% class duration point, will receive a full refund/billing adjustment for the cost of that course. Once the 13.33% point is met, there will be no refunds issued.

Because summer courses can have different start and end dates, summer courses follow a formula-based add/drop calculation. This is an example:

For a course which begins on May 25 and ends on July 5, students would have until May 30 to drop with a full refund. After that date, there would be no refund.

Students taking classes at other Vermont State Colleges, such as CCV, would need to contact that school for information regarding their refund policy.
