Master of Athletic Training Program Policy on Transfer Credit

Only students who have completed coursework at another CAATE accredited graduate level professional athletic training program will be considered for transfer credits within the MAT program at Castleton University. Transfer students must meet all [MAT Admissions Requirements](#) listed on the MAT website. Prospective transfer students must submit a transcript of graduate level athletic training coursework to the program director, and may be asked to also submit course descriptions or course syllabi for consideration of transfer credit. Upon acceptance into the MAT program at Castleton University, transfer students must complete a minimum of one academic year (summer-fall-spring) as matriculated students in the program.
